

Issue No. 12 September, 2016

The Acting Principal's Message

Child Safe Policy

In our last newsletter I explained the new Child Safe regulations. At our School Council meeting last week a number of policies were passed in order to not just make us compliant but also to protect our children. The policies were Child Safe Policy, Child Protection-Reporting Obligations

Hayley Darrington

Unfortunately, the time has come for us to say goodbye to Hayley as she and her partner Mark begin the next chapter of their lives together. Hayley began at Karingal Heights as a student teacher in my classroom and then was the successful applicant for a position with us. Hayley spent time in the Prep/1 grades and then became one of our grade 5/6 teachers. She has been very successful there and has told us that she has learned so much. The children respect and appreciate her immensely. Now she is about to begin one of the most important and hardest jobs of all, being a parent. We all wish Hayley and Mark well and I am sure we will see Hayley at grade 6 graduation time.

Swimming

Don't forget that swimming begins on the first Friday of term 4 for the children in P-3 who have returned their forms. No more forms can be accepted as these have already been given to the swimming centre.

I have really enjoyed myself in the office this past five weeks but it is now time to hand the reins back to Mr Cowden. Have a safe holiday and we will see you all in term4.

Kerry Riley

Dates to Remember

Friday 16th

Last day of term 3. We finish at 2.30.

TERM 4

October

Friday 7th

Swimming P-3

Friday 14th

Swimming P-3

Wednesday 19th

Grades 4, 5, 6 McClelland College for The Witches performance

Thursday 20th

FDS School Concert Arts Centre

Friday 21st

Friday 28th

Swimming P-3

November

Tuesday 1st

Melbourne Cup Day

Friday 4th

Swimming P-3

Monday 28th

Pupil Free Day

CAPTAIN'S REPORT

Footy Cent Line Day!

On Friday the 9th of September the whole school participated in Footy Cent Line Day. The year 5/6s counted the money and measured the lines for each of the different teams.

In 1st place: Hawthorn with \$74.65

In 2nd place: Collingwood with \$73.75

&

In 3rd place: Carlton with \$58 (YAY!)

Star Lab

On Friday 2nd the whole school had a Star lab incursion. The year 5/6s was the last grade to go in. We watched a short movie called The Cardboard Rocket. It was really fun and relaxing and we learnt a lot about earth and space. We hope to do it again.

What's that noise?

Well, I have heard of a kookaburra sitting in an old gum tree but not on a ceiling fan in the classroom! This is what greeted me on Tuesday morning but the mystery remains, how did it get in there? Thank you to Alan our cleaner who managed to get the kookaburra out with no injuries to himself or to the bird.

FOOTY DAY COIN LINE

What a spectacular effort by the whole school! We raised \$401.85 due to your generosity and community spirit. Our SRC representatives gathered together with Miss McCartney and agreed to donate the money to both the Fight Cancer Foundation and the Make a Wish Foundation. Both of these well deserving charities, who greatly appreciate our support. Once again, thank you and we look forward to another successful Footy Day in 2017.

Fundraising

Next term there will be a Cookie Dough fundraiser. More information will come out early in Term 4.

New Policies

These policies were passed at our last school council meeting. They are available to read on our website and are on display in our foyer.

Child Safe Policy

Child Protection-Reporting Obligations Policy

CyberSafety Policy

Girls Cricket Program:

Attention: Girls aged 10 to 18 years of age.

SCHOOL HOLIDAY PROGRAM

The MPCA will be starting a girl's cricket competition this season.

Whether you are a beginner or a regular come along and get some specialised coaching.

Give cricket a GO!

SAINTS NEXT GENERATION DEVELOPMENT ACADEMY

WANT TO BE PART OF OUR NEWEST SQUAD?

- Ages 11-15
- Interested in learning about AFL
- Looking to enhance your skills

At the Saints we want everyone to experience playing the best game in the world! The Saints Next Generation Development Academy is a unique opportunity to be part of an AFL Club - to train and learn about what it takes to be the best player you can be.

Our 10 week development program will start in 2017 and be a mixture of on-field skills as well as development of off-field life skills. It will be about having fun, meeting great people and being part of the St Kilda Football Club.

Our academies will be hosted at Seaford and Moorabbin and anyone aged 11-15 living in our allocated region can register and be a Saints Next Generation Development player.

Join the FREE Saints Next Generation Development Academy Open Days that include skill sessions, combine testing, tours of the Saints facility and plenty more fun activities all being held in the second week of the school holidays.

SAINTS.COM.AU

We are SunSmart - a note for families

Too much UV can cause sunburn, skin and eye damage and skin cancer. Overexposure to UV during childhood and adolescence is a major factor for future skin cancer risk.

You can't see or feel the sun's UV so don't be fooled. Whatever the weather, if the UV levels are three or more, it's important to Slip, Stop, Slap, Seek and Slide!

Our school aims to protect children and staff from too much UV to help minimise future skin cancer risk. We are a registered member of the Cancer Council Victoria's SunSmart Program. Please help support our SunSmart membership by ensuring your child follows the SunSmart measures included in our policy.

During the daily local sun protection times (issued whenever UV levels are three and above), use these 5 SunSmart steps - even if it's cool and cloudy.

1. **Slip on a shirt** - for five dress days, ensure your child wears clothing that covers as much skin as possible (e.g. elbow length tops with a higher neckline or collar and longer style shorts or skirts). Densely woven fabrics are best.
2. **Stop on SPF 30 (or higher) broad-spectrum, water-resistant sunscreen** - apply a generous amount of sunscreen at the start of the day and make sure children have sunscreen in their bag ready to be reapplied throughout the day. Please ensure they get plenty of sunscreen application practice at home so they'll be all set when they are at school.
3. **Slap on a hat** - one that protects the face, neck and ears such as a broad brimmed, legionnaire or bucket style hat. Peak caps do not offer enough protection and are not

- recommended by SunSmart. Please help your child remember to bring and wear their approved hat.
4. **Seek shade** - choose shady spots for play whenever possible.
 5. **Slide on some sunglasses** - if practical and approved by the school. Make sure they are labelled AS 1067 and cover as much of the eye area as possible.

Sun protection times

Don't just wait for hot and sunny days to use sun protection. Check the sun protection times each day so your family can be protected when they need to be.

Daily local sun protection times and weather details are available from the SunSmart widget on our school website, in the weather section of the newspaper, on the SunSmart website at sunsmart.com.au and as a free SunSmart app. Sun protection times can also be found at the Bureau of Meteorology website and live UV levels are available from AUFANZA.
